of December

ORBRY TURNS 5!

Orbry is celebrating its fifth birthday in December, having been established back in 2011. From tileable shower trays to stylish frameless glass shower screens, Orbry supplies a range of wet room products — including their best selling waterproof tile backer boards.

SERIES 3 MAX TILE CUTTERS

Founded in 1964 in Italy, Sigma produce and supply a range of high quality manual tile cutters and tiling tools. All research and development of new products is done in-house using specialist CAD technology, allowing Sigma to create products that are easy to use and provide a professional finish.

The Sigma Series 3 Max cutters are manual push to score cutters that are suitable for smooth or textured tiles up to 20mm thick.

Available in a range of sizes to suit your tiling projects — turn over to see the great prices available on Sigma cutters in December.
